

# Attention all Paraglider Pilots

## Welcome to Mt. Jumbo!

### Important Site Information:

- 1) **Call the Missoula Air Traffic Control Tower before flying. (406)549-6001. Tell them you will be flying Mt. Jumbo, the number of pilots, estimated time of launch.**
- 2) **Call the tower back at the conclusion of the flying session! Be polite and brief when speaking with the tower—they are busy. If the tower personnel have any questions or concerns, please direct them to Derek Goldman (Mt Jumbo PG observer) 370-6491.**
- 3) Be a current USHPA member.
- 4) Pilots new to the site must fly with a local pilot before going solo.
- 5) P-2 (novice) pilots must fly 5 flights with 2 different pilots who have flown the site for at least a season.
- 6) Avoid disturbing deer or elk when flying.
- 7) Stay alert for mid-to-late-summer fire restrictions that often close the mountain after 1pm.
- 8) Know and follow the FAR's; fly within the recommended operating limitations for your rating; pay attention to changing conditions....
